

# Home One treadmill introduction

## Product Specification:

Speed Range :	1-12Kph	Product Features
Motor:	1.0 HP	<ol style="list-style-type: none"> <li>1. The frame uses aluminum alloy material instead of steel, the whole machine is lighter and looks more elegant, the net weight is 45Kg, gross weight is 50Kg;</li> <li>2. The whole machine is non welded processed so that the error can be controlled accurately and the precision of the whole machine is thus improved.</li> <li>3. The machine can be dismantled into three parts using connection lines, this modular disassembly makes the assemble and after sale service extremely convenient;</li> <li>4. The whole machine is free installation, a novel semi-automatic hydraulic cylinder component is designed to enable the treadmill a limited occupancy of 0.2 square meter in folding state, the horizontal and vertical transportation wheel makes it easy to move and lean against the wall;</li> <li>5. Patented Four Point Suspension shock reduction system ensures the users a comfortable foot feeling during running and reduce damage to the knee through its strong shock absorption ability, at the same time, the console and upright bars can keep stable;</li> <li>6. The motor works quietly when user is running on the machine, it's no need and we also don't recommend to use an additional mat beneath the machine;</li> <li>7. The wood grain finished plastic parts(motor cover, end cap and key board) makes the treadmill integrates into the home perfectly without any sense of violation.</li> <li>8. Console features: 90-180 degree adjustable rotating device adjusts the screen angle according to the height of each person easily; the mechanical key board is smooth touchable and easy to press; the safety key is mechanical power cut and need manual reset, thus protects user more effectively in emergency stop.</li> </ol>
Running Area(L x W)	1245X480mm	
Dimensions (L x W x H)	1460mmx750mmx1050mm	
Net Weight/Gross Weight	45 kg/50 kg	
Max User Weight	110 kg	
Console Display	LED display, Numeric display of pulse, time, steps, distance, calories and speed	
Entertainment Options	embedded HD monitor; USB port, Audio input/output	
Hand Grip Pulse Sensor	Inserted in the standard handrails	
Colour	Black
